# NEW BEGINNINGS

PRESIDENT  
KENNETH QUIGLEY, JR.

To the members of the Curry College Class of 2000:

I am pleased to bring the official greetings of the College.

Curry College is a great institution. It's the people that make it such a wonderful College, and you are among those people. For that, I thank you.

Your relationship with Curry is a lifelong one. We will be here to assist you in the future as you go forward. Please don't hesitate to contact us. We would ask that you stay involved with the College. During your tenure at Curry, you saw tremendous progress at the College. Working together as involved alumni we can continue and improve upon that progress.

All of you have much to be proud of. Congratulations and best wishes for continued success.

Kenneth K. Quigley, Jr.  
President

# DEDICATION

The Class of 2000 would like to dedicate *New Beginnings* to President Kenneth Quigley, Jr. During his five years as President, The Class of 2000 was the first class President Quigley had seen throughout their entire four years at Curry College. President Quigley envisions a bright future for both the Class of 2000 and Curry College.

**Welcome To Curry College**  
President Quigley takes time to talk with family members during Orientation. The Faculty and staff at Curry pride themselves on the individual attention given to students on campus.

**Laughing It Up**  
Professor Bob Keighton and President Quigley enjoy a laugh with one another. Faculty, staff, and students enjoy the friendly atmosphere that Curry has to offer.

**We The Students**  
President Quigley spends some time with members of the Class of 2000 during a reception at his home. President Quigley often made himself and his home accessible to students.

# Around 2000 Campus

# "If you build it... ...they will come."

On August 30th, 1999, Curry College opened the doors to a brand new \$5.5 million residence hall. The day consisted of a number of speakers, a ribbon cutting ceremony, a reception in the lounge, as well as tours of the new building. The suite style building houses 147 students in six-room suites. Five Resident Assistants and the Assistant Director of Residence Life also occupy the building. President Kenneth Quigley was very excited about the new building. "This is the first new building to be built at Curry College since the Drapkin Student Center was constructed in 1970. The building was a welcome addition to the Curry College campus," stated Quigley.

## Picture Perfect

Opening day finally arrived for the new suite style residence hall. Students, faculty, staff, and Milton community members had an opportunity to view the new building inside and out!

## Rolling...Rolling...Rolling

A dump truck makes it way to the new building for final preparations before the students arrived.

## Cutting Edge

President Quigley, John Santilli (Chairman of the Board), Robert O'Connell (holding Bob Jr.), and John Fish (President, Suffolk Construction) officially open the new residence hall.

## Presidential Address

President Quigley addresses the crowd during the ribbon cutting ceremony. The crowd included members of the faculty, staff, Board of Trustees, and community members.

## Come one, Come All

Edward J. Cotter Esq., Laura Rosano, Robert Quinn Esq., and Derek Benton finish the day with a tour of the suites. Each suite houses six students and includes a common area, bedrooms, and a bathroom.

### Working Together

State Senator Brian Joyce, Rogers School Principal Michael McCarthy, Sue Pennini, President Quigley, David Fedo and Mayor Thomas Menino pose during the kick-off.

### Perfect Fit

# GEAR UP

Gaining Early Awareness and Readiness for Undergraduate Programs

Curry College and the William Barton Rogers School have been academic partners for more than 20 years. The Gear Up program is a partnership funded by the U.S. Department of Education to encourage inner city and at-risk middle school students to attend college. Curry College faculty, staff and students serve as tutors and mentors to strengthen academic skills and self-esteem for the seventh and eighth graders. The program is one of 11 partnerships in the Boston area under the auspices of the Boston Higher Education Partnership. Rogers Middle School graduates of this pro-

gram may qualify for scholarships to Curry College.

Rogers Middle School was the host of the official kick-off for the program on March 2, 2000. Gear Up Coordinator Judith Sanford-Harris, Curry College President Kenneth K. Quigley Jr., Rogers School Principal Michael McCarthy, State Senator Brian Joyce, former New England Patriot Ron Lippett and a host of Curry College students all joined with the seventh grade students at the opening celebration. Curry students are looking forward to the opportunity for more Service Learning projects.

**Warm Welcome**

President Quigley introduces Curry students participating in the Gear Up program. Curry students volunteered their time to help younger students prepare for thier college experience.

**All Smiles**

Gear Up Coordinator Judith Sanford-Harris and Rogers School Principal Michael McCarthy, keep the audience entertained during the kick-off.

# Diversity Dinners

The Institutional Committee on Diversity was hard at work during the 1999-2000 school year preparing Diversity Dinners for both the spring and fall semesters. The committee has the task of working with other campus groups to provide the Curry College Community with a variety of quality programs. These programs seek to foster a wider understanding and appreciation of diversity issues. The fall dinner took

place on November 18 and showcased the great sounds of the band Rumbafrica. The spring dinner showcased the music of the Brazilian Culture Center band. Sodexo provided an outstanding collection of ethnic foods for both events. Groups such as SGA, CAB, International Club, Multicultural Club, the President's Office, Dean's Office and PAL donated resources to make the events such great successes.

## Lessons

Javier Garcia is taught to dance to the music during the spring Diversity Dinner in the Drapkin Cafeteria. The cafe was turned converted into a great setting for music and festivities.

**All Together**  
 Gerardo Vicens, Andrew Harpold,  
 Patricia Gonzalez and Mary LoRusso

 Brazilian Culture Band.

**True Colors**  
 Gabriel Matos and Moustafa Khalil enjoy  
 their time at the Diversity Dinner. Students  
 were treated to a wide variety of foods and  
 music during the dinners

**Rumbafrica**  
 Members of the cultural band Rumbafrica  
 perform for the audience during the fall  
 Diversity Dinner.

**Audience Participation**  
 Students learned some new dance  
 steps from members of Rumbafrica.  
 The bands took time to speak with  
 students about different cultures and  
 life styles.

**Stars and Stripes**  
 Lisa Volovick and Becky Roberts en-  
 joy dinner and some quality time. The  
 Diversity Dinners gave staff and stu-  
 dents the opportunity to celebrate  
 other cultures.

# Put Your Best Foot Forward

New Students arrived on campus bright and early on Sunday, August 29. Students arriving with family and friends were greeted by members of the 1999 Orientation staff at almost every corner. The Orientation staff directed students to various parts of campus to attend to any loose ends that needed to be tied up. Once students had met all obligations they had with the college, they were each directed to their residence halls to meet the Residence Life staff. Students then had a chance to move their belongings into their new home and meet other mem-

bers of their new community. The remainder of the day consisted of an all college welcome, a good-bye reception for parents, and several programs to help the new students get acquainted with one another.

Twenty Orientation Leaders, thirty-seven Resident Assistants and a countless number of faculty, staff and administrators helped make the next several days informative, educational, and fun.

"I have a number of children in college, and this was the most organized Orientation I've seen," exclaimed one parent.

**A Welcome To Curry College**  
Orientation Coordinator Dan McHugh addresses The Class of 2003. The incoming students had the opportunity to meet a number of the Curry College staff before classes began.

**Moving On Up...**  
Aaron carries his belongings and gets ready to unpack his boxes in his residence hall. It is often hard for new students to decide which items should come with them to school.

**Hanging Tough**  
Resident Assistants Pete Marcaurrelle, Brian Williams, Shakir Shabazz, and Christian Mitchell take time out to pose for the camera. RA's help new students move in and feel comfortable with their new environment.

### Friends

Orientation Leaders Kevin Lang and Ellen Meagher show their inviting smiles. Orientation Leaders work as a team to welcome new students to campus.

### A Father's Goodbye

Saying goodbye is one of the hardest parts of Orientation. For many students college is the first time on their own.

### Dorm Sweet Dorm!

First year students come together and fill their room with a little personality. Students work to make their rooms as comfortable as home.

### Please Drive Up

Becky Roberts directs a new student on move-in day. Students traveled from all over the world to attend Curry.

### Hanging Out

Several new students pose for the camera during a break from Orientation. Many students develop great friendships during the first week of school.

### New Beginnings

A number of adult and children's amusements were set up for the enjoyment of all. To complete the day Alumni were invited to attend an Alumni Reconnect Reception under the tent. This event gave Alumni an opportunity to chat with faculty and staff members from the college.

# A Family Affair

## Family Weekend '99 connects families with the Curry Staff

Family Weekend 1999 seemed to be a great event for all in attendance. The weekend began on Friday, October 15th with a welcome reception at 1000 Brush Hill Road. The reception was held for family, faculty and staff members. On Saturday, Families were treated to a Faculty Brunch where they were given the opportunity to meet with professors. "This was a great way for parents to get together with faculty members, ask questions about classes as well as how their student is doing in a particular class," stated Terrie Daley of Parent/Alumni Relations. After brunch there was a complimentary shuttle into Boston to allow families to take in the sights. Those who chose

not to venture into Boston were entertained by the Curry Colonel's win over Western New England College.

The evening event seems to be the event that everyone would talk about. The night began with a cocktail reception in the President's Dining room. After the reception families were treated a gourmet dinner and a live theatre performance. The cafeteria was transformed into a beautiful array of stars, top hats, black lights and glowing curtains. The crowd was taken on a "Musical Journey" by the Riverside Dinner Theatre. The dance floor was then open to everyone, and the good times continued. There was never a dull moment during this year's Family Weekend!

# FASHION SHOW

March 16, 2000 was a night to remember for the members of the Curry College community who helped organize the fashion show that took place in Miller Gymnasium at 8:30pm. This successful show took months of planning and required a tremendous amount of help from everyone involved.

Auditions were held to choose models, letters were written to clothing stores for merchandise, contracts were signed and rehearsals were scheduled. The date was set and all of the hard work would soon pay off.

Sophomore Class President

Patricia Gonzalez stated, "Each committee put their heart and soul into promoting, designing, and organizing the show. They were responsible for setting up the stage, controlling the lighting, writing descriptions of clothing, designing programs, running late night rehearsals and making countless phone calls."

The hardwork and dedication certainly paid off, as the fashion show was one of the highlights of the Spring Semester.

"Every thing sounded so easy at the beginning. Above all, we had tons of fun and many laughs," stated Gonzalez.

## Looking Good

Efua Dufu and Chuck Isreal enjoy their 15-minutes of fame. Students had the opportunity to model some of the days newest fashions.

## The Right Stuff

On November 18, 1999 the senior class held their annual "Rent a Senior" event. This event was designed to put those being "rented" to work for the right price. All the proceeds went to the senior class. The highest priced senior went for a bid of \$90 adding to the profit of \$790. The auction was full of excitement and suspense, which brought much laughter to the audience from announcer Matt Montuori. # Midnight Madness

Midnight Madness was held on Thursday, October 28, 1999. The purpose of this annual event was to help kickoff the winter sports season for athletes and fans alike. Midnight Madness was a chance to get everyone psyched up to play and/or watch basketball, and that is exactly what it did. Curry students packed the Miller Gymnasium to take part in a night full of spirit and excitement. The crowd roared as the Men's and Women's 1999-2000 basketball teams exploded onto the court. Both the Step Club and the cheerleaders added high energy performances that kept the crowd entertained.

# 91.5 WMLN Celebrates 25 years.

On April 1, 2000 WMLN passed yet another milestone by celebrating its 25th Anniversary. WMLN was the vision of Roger Alan Bump, who established Voice at Curry (WVAC) back in 1971. Alan Frank, WMLN's Director of Broadcasting, is the product of what WMLN is today. WMLN signed on the air in 1975 as a 10 watt, 25 person, student run radio station. At that time students would sign off the air at night or when they had class. Today the station is on the air 24 hours a day. Currently, WMLN has over 100 students working within the 175 watt radio station.

"I have been at Curry College and WMLN-FM for over 22 years. My arrival at Curry in September, 1977 found a very new WMLN. Equipment was limited, and there was no academic connections to the Communication Department. My first priority was to renew the radio station's license. Upon completing the renewal, I offered a 1-credit per semester course for all radio students working at WMLN. My third priority was to increase the station's support budget from the College, and the fourth priority was increasing power... WMLN has provided a service to Curry students and the communities we serve for 25 years. The future looks very bright..."

Alan Frank 2000

"As the station manager at 91.5 WMLN, it is my duty to oversee the running of the radio station. The beauty of Curry College Radio is that the station is completely student run. Running a college radio station is great. We have so many different personalities here, and our personnel comes from many different places. The mixture of musical interest fits perfectly into our system. Variety is what makes radio great... Without WMLN I am not sure where I would be right now. Almost all of my accomplishments can be filtered back to WMLN. If anyone is looking for a place to meet new people, and have a great time, try radio. Thank you to all of you who have made this so special."

Josh Easter 2000

### If This Hallway Could Talk!!

Before this hallway incorporated 91.5 WMLN, it would provide students of Curry College a place to relax. The current WMLN building was once the college's Student Center, a place where students could go to grab a snack, get out of the cold, catch up on some homework, or just sit with some friends before class.

**.... In With the New.**  
John Silva takes the listeners on a musical journey through the 60's, 70's and 80's. Students have the opportunity to play a variety of genres of music.

What makes WMLN so special is that the station is totally student run. In order for MLN to air successfully 24 hours a day seven days a week, there are six departments that work day in and day out to make sure MLN remains the best college radio station in Massachusetts. Take a look at the directors that work together to make each department the best they can be.

**How Many Volts?**

Ric Allison, Sam Quain and Nick Capalbo (Engineering Directors) stand next to the antenna tower behind WMLN. The station has a department for those students who are good with electronics and have the knack for fixing things.

# PUB MEMORIES

With the Alumni Recreation Center (ARC) condemned, students were forced to have their pubs in the Annex of the cafeteria. The bi-weekly student organization run pubs were a place where Curry students could go and enjoy a night of friends, music and fun. The Alcohol Beverage Committee (ABC) oversaw each pub ensuring a safe entertainment at all times. Alum Ben Donovan served as DJ for the majority of the pubs including several theme pubs such as a Hawaiian party, Superbowl pub and a Halloween costume party. Although pubs were held in the Annex, students enjoyed their time and look forward to the new ARC opening in the Fall 2000.

## Happy Together

Angela Mattola, Ron Kissell, Julisa Burgos, Heather Dippert and Elizabeth Novick pose during a second semester pub.

# Curry Theatre Presents “The Imaginary Invalid”

Curry Theatre brought in the 1999-2000 school year with Moliere’s classic *The Imaginary Invalid*. Performed in The Little Theatre over November 13<sup>th</sup>-16<sup>th</sup>, John Barrett, Technical Director for Curry Theatre, took the helm as director. For the first time in several years, six veterans and six newcomers represented this cast of twelve actors. “If it were not for this play, I don’t think I would have made the close friends that I have today, stated freshman Bill Skog. The cast and crew began working on the play in late September, and spent every weekend for two months building the magnificent set. The fast pace humor of Moliere, plus the wit of the vivacious cast had the audience rolling in the aisles. Some memorable moments included The Diaphorus Boys (portrayed by Freshmen Andrew Harpold and Bill Skog), The Weasally Lawyer (Played by Sophomore Ryan Green), The Lovable yet Cunning Maid (portrayed by Senior Katie Mello) and not to mention the Invalid himself (Junior Michael Adami). Seniors Katie Mello (General Manager) and Spencer Everett Jawitz (Business Manager) wouldn’t want to open their senior year any other way!

Michael Adami and Andrew Harpold take center stage.

## *The Fantasticks*

Bringing the 41 year old longest running musical in the history of American Theatre to the Curry Stage was a true highlight for the members of the Theatre Department.

*The Fantasticks* brought laughs, tears and music to practically a sold out crowd. Directed by D-L Garren, the musical starred Seniors Katie Mello, Spencer Jawitz and Jenn Ugalde, Sophomores Ryan Green and Jon Kiviat, as well as Freshmen Mary LoRusso and Bill Skog. Memorable moments included Katie's note wrenching "Much More", Jenn and Mary's "Never Say No", and the comical work of Spencer and Ryan.

# Class Acts

Curry Theatre entertains the college with one act festival.

The Curry Theatre crew wrapped up the 1999-2000 school year with the performance of *Class Acts*. *Class Acts* was a student directed one act festival written by faculty members at the college. The first show was *Hot House* written by D-L Garren and directed by Spencer Jawitz. The cast included Dane Botfield, Mike Adami, Kirstin Davidson and Curry College Alum Kerry Corrigan. The second show was *The Uncle*, written by Phil Lamb and directed by Michael Adami. The cast included Dane Botfield, Kirstin Davidson and Krista Bennett. The evening was topped off by a performance by Curry's own Bitter Mechanics, bringing laughter and improv to a wonderful run. Faculty, staff and students enjoyed all aspects of the nights the shows ran.

# SPRING

# FLING

Campus Activities Board's Spring Fling 2000 was a major hit across campus. Students were treated to music, movies, comedy and more. Spring Fling began on Tuesday, April 25 with a night of music by Dave Binder. Dave played all the hits including covers of Jimmy Buffett, James Taylor and more. A rainy Wednesday April 26 brought this year's drive-in movie into the Miller Gym. The rainy weather did not stop students from attending the showing of "The Sixth Sense." Comedy night on Thursday, April 27 included very funny comedians Michael Dean Ester and Taylor Mason.

The two comedians kept the crowd in stitches throughout the evening. Friday, April 28 was a great night at the Boston Marriott Long Wharf Hotel where students danced the night away at the annual Spring Fling Semi-Formal Dance. This year was the first year the dance was held at the Long Wharf, and students loved the location and the night as a whole. Saturday, April 29 brought great weather and many smiling faces. Students were treated to a day of music as Tidewater Grain, Jimmie's Chicken Shack, and Rob Base & DJ EZ Rock entertained the college community.

The lead singer of Jimmie's Chicken Shack entertains the crowd during Saturday's day long events. CAB spent many months planning Spring Fling and the results were perfect.

Members of the opening band Tidewater Grain play during the afternoon show. The days line-up showcased a good mix of music to satisfy all music tastes.

Rob Base entertains the crowd at Spring Fling. Although the band has not had many albums in recent years, they put on an outstanding show that included some old hits as well as some more current songs.

# CURRY FOOTBALL

The 1999 season looked as if it was going to be a repeat experience for the Curry College football team. The Colonels went through their schedule by mirroring their results from 1998, six wins against the same six teams and three losses against the same three teams. Curry's most crucial game took place at Salve Regina with the outcome of the game possibly deciding the 1999 Blue Division titleholder in the NEFC. In the end of the trying match, a school record-tying 46-yard field goal from rookie placekicker Bill Lovendale was the only scoring the Colonels would do. The Seahawks defeated Curry 14-3. Two weeks later however, the mood was decidedly more upbeat. A 33-0 triumph over UMass Boston on November 6th granted Curry its first back to back winning season since 1986. It also happened to be Curry's first shutout in more than a decade. The last team the Colonels had to face was UMass Dartmouth, winning this last game would mean the difference between repeating last years solid record of 6-4, and an even better season with a record of 7-3. The game started out rough, but Curry came back fighting with touchdowns from Captain John Barr, and Brian Walsh. The Corsairs jumped on top once again until one of the most dramatic comeback victories in Curry Football history. Curry Linebacker Rance Cooley intercepted the ball and ran it back 10-yards scoring for the Colonels and the game was Curry's with a final score of 21-17. Next season, the Colonels will strive for a "three-peat" of sorts, attempting to string together three consecutive winning seasons. Second year head coach Steve Nelson left his seniors with the words, "I am very proud of the athletes' work. The seniors this year have really taken the season with incredible stride."

# MEN'S SOCCER

A look back at the 1999 season.

Rebuilding a college athletics program necessarily involves seasons like the one experienced by first-year head coach Brendan Donahue in 1999. His men's soccer squad worked as hard as any on-field rival, but came up on the short end of all but three contests. The season started promisingly, with a pair of scoreless ties against Emerson, and Anna Maria in the seasons first three games. But a school record-tying, 13-game losing streak ensued-snapped finally on October 20th in the seasons next-to-last contest. That 5-1 victory over Suffolk was made possible by sophomores Paul Fioretti and Peter Smith who

netted three and two goals respectively. Co-captain Sean Timlin had another busy year in goal for the Colonels. The junior made 191 saves in 17 games. Timlin finished third in the nation with 11.2 saves per game.

"My inaugural season with the Colonels was a struggle, but the foundation for future success was implemented," said head coach Donahue. "When I arrived at Curry team moral was low and the concept of being regionally competitive was nonexistent. Today the team structure is in place, and it is now my job to add better players." The Colonels will look to heavy recruiting in the off season.

**The right stuff**

# WOMEN'S SOCCER

## A LOOK BACK AT THE 1999 SEASON

September may not have been the kindest month for the Colonels women's soccer squad. First year coach Danielle Ferrara saw her squad struggle to an 1-8-1 record that included six shutout losses. Progress arrived in October, however, as Curry posted a 4-5-1 record including a pair of 1-0 victories over CCC rivals New England College and Eastern Nazarene. The Colonels brightest star on offense was junior midfielder Donna Walsh, who paced the team in scoring with 26 points (12 goals, 2 assists). Walsh led Curry's second-half surge by scoring the game winning goals in victories over Fitchburg State, Emerson, and Eastern Nazarene. At seasons end, Walsh was deservedly named to the CCC's all-conference second team. Rookie Alison Schiffman was a solid contributor in her 16 games, netting five goals. Junior captain Hilary Baker, junior Jill Gordon, and sophomore Liz Middleton all had four goals on the season. Goalkeeping was an unsettled affair until freshmen Aimee Petrosky took over the full time job in October. She performed well in five conference starts, finishing with a record of 2-3, an impressive .869 save percentage, 2.00 goals against average, and a pair of shutouts. Coach Ferrara concluded the season by saying, "After the season had come to a close, the one word that stuck in my mind was heart. That is what each and every athlete found within herself and played with every day."

(Clockwise from left) Junior Donna Walsh takes the opponent down. Junior Jill Gordon runs down the field. Senior Captain Miranda Dewling goes for the ball. Sophomore Lori Dodd tries to take the ball away.

# Football Cheerleading

The 1999 football cheerleading squad worked hard all season to help motivate the Colonels football team, as well as the faithful fans. Through the tough practices and the cold games, the women made it all come alive. Each member of the team led the crowd in cheers, performed stunts, and built pyramids, all while cheering the home team toward victory. The women showed off their skills during home games on the sidelines as well as during the halftime festivities. The team was lead by first year coach John Gilbert. John came to Curry with a cheerleading background from the University of Rhode Island, and he is also a professional coach from the Universal Cheerleading Association. This small team of dedicated women look forward to building a larger squad as well as the ability to further their skills.

# Women's Cross Country

The Women's Cross Country team was a small but determined squad. Guided by rookie coach Erica Towlson, the women were quite successful in their seven-meet schedule. Senior captain Emily Johnson had a memorable season posting a personal and team best 26:49 in a 5K event at Roger Williams. A season highlight for freshman Laura Estey was the Pop Crowell Invitational where she matched Johnson as Curry's top performer with a time of 25:50. Senior Heather King saved her best for last by running the 5K in 29:55 at the CCC Championships. The Colonels are looking forward to strong recruiting in the future to help build the program.

#### Forward Progress

Laura Estey gains ground on her competition. Runners were constantly in competition with their opponents, as well as themselves.

#### Moving On Up

Emily Johnson pulls ahead of her competition. The small Colonels squad will recruit heavily during the off season to continue to expand the team.

Emily Johnson runs hard for the finish line. Although they had a small squad, the Colonels always gave it their best effort.

# Men's Ice Hockey

## 1999 - 2000

Former Boston University standout Rob Davies was hired as the Colonels head ice hockey coach on November 4, 1999, bringing a new attitude and outlook across campus. It was immediately apparent that Davies would infuse the struggling hockey program with some desperately needed stability.

The team finished with a 4-18-1 record overall and a 3-14-0 mark in ECAC Northeast play. Although the record was reas-

on for disappointment, hopeful signs remained well after the final game was played.

Davies will have six of his top scorers returning for the 2000-2001 season including juniors Joe Savioli, Sean Whelan, Justin DelVecchio, Scott Tkachuk and sophmores Jason Boyle and Mike Ciacera. The team looks forward to Davies recruiting and to a promising future.

# Women's Basketball

The 1999-2000 women's basketball team experienced a phenomenon that, on one hand, may have been its best attribute, yet on the other hand, its greatest shortcoming. Over 24 games, the Colonels had seven different players claim game-high scoring honors, while 10 different players took game high rebounding honors. Coach Michael Barrett was getting contributions from his entire team, unfortunately, he

never found one or two "go-to" players who could consistently power the offense or take charge of the boards. In a season where a 6-18 overall record and a 3-9 conference record left many disappointed, senior Liz Londergan dished out her 413 career assist, moving her past Colonels legend Cecilia Bombardier and into first place all-time. Londergan finished her four year career with 489 total assists.

## The End

Seniors Kelly Allen, Liz Londergan, and Angela Mattola pose with Head Coach Michael Barrett before one of their final games at Curry.

## Jump-Shot

Sophomore Guard Shannon Brock takes a shot. The Colonels have a young team and are looking forward to rebuilding for the future.

# MEN'S BASKETBALL

The 1999-2000 Curry men's basketball season had its full complement of inspired moments and crushing disappointments. The Colonels, under second year Head Coach Sean Casey, were expected to challenge for the school's first Commonwealth Coast Conference Title since 1986. The Colonels had four of five starters returning to the fold, including all-conference performers and team captains Eric Ferris and Brian Williams.

Although the team did not advance beyond the first round of the tournament, there were a number of individual accomplishments that were attained. Both Williams and Ferris reached the 1,000 career mark during the 1999-2000 season. Ferris finished his Curry career with 1,168 points, placing him 8th on the all-time scoring list. He also set school marks for three-point field goal attempts in a season, three-point field goal attempts in a career, and steals.

**Driving**  
Junior Brian Williams drives to the basket with his defender right on his back. Players spent hours in the gym working on all aspects of their game.

**Up, Up And Away**  
Sophomore Shakir Shabazz drives to the basket for two points. The Colonels will rely heavily on their younger players during the next several seasons.

**On Guard**  
 Junior Earl Pemberton tries to manipulate his opponent. Although the record does not show it, the men's basketball team worked hard all season.

**Flying High**  
 Freshman guard Keith Fredriksen shows off his abilities during warm ups. Players rely on practice and conditioning during the 25-game season.

**A Great Finish**  
 Senior Captain Eric Ferris drives to the hoop during a Colonels home game. Ferris had an outstanding season, and an impressive career at Curry.

**All Ears**  
 Assistant Coach Joe Rulewich gives Kyle McNamara some tips during a time-out. The men relied heavily on the experience of the coaches for advice.

The 1999-2000 Curry College Men's Tennis team worked hard all season to finish with a 4-4 conference record and overall record of 6-7. Led by first year coaches Paul Dorsey and John Ritucci, the Colonels finished with their best record since 1995. The Colonels entered the year with a core of three seniors and four juniors and were happy to have a small but determined underclass showing of three freshmen and a sophomore.

The Colonels managed wins against Wentworth Institute of Technology, Endicott College, Becker College, Roger Williams College, Eastern Nazarene College and U-Mass Boston. The Colonels were led by team MVP Mike Fernandez and Rookies of the year Brian Fleming and Jon Hiller. The team is looking forward to strong recruiting and experienced returners to continue their winning ways in the future.

# BASEBALL

Head Coach Dave Perdios enjoyed another successful campaign in 2000. In his first two seasons as Curry's baseball mentor, Perdios has led the Colonels to back-to-back winning records in the Commonwealth Coast Conference (CCC) and berths in the post-season tournament.

Some Colonel players enjoyed success throughout the 2000 season. The Colonels' middle infielders were the team's top two hitters. Gareth Watts paced the squad with a .436

batting average on his way to being named the "CCC Rookie of the year." Senior second baseman Eric Ferris had his best season on the diamond for the Colonels batting .355 and leading the team with 20 runs scored. Senior Corey Santos wrapped up his collegiate career by establishing a school record with 107 Runs batted in.

Curry pitchers Sean Ross and Joe Seeley had outstanding seasons for the Colonels. The future looks bright for the team.

## Turn Two

# Softball

The 2000 campaign opened once again in Fort Myers, Florida with the Colonels facing strong Division III programs from across the country. After playing in eight contests over four days, the squad returned to Milton with only a single win.

Coach Bruce Weckworth, winningest coach in Colonels softball history, notched his 100th career win when the squad defeated Eastern Nazarene during Spring Sports Weekend.

The Colonels placed four outstanding performers on the post-season all-

conference teams. Senior Leanne Tarkanian put together one of the finest seasons ever by a Curry pitcher. She went 12-9 with a 1.68 Earned Run Average, allowed just 33 earned runs striking out 49 while only walking 18. Other All-Stars included junior second baseman Renee Silvia, who led the squad with a .353 batting average, senior outfielder Margeaux Montuori, who committed just two errors all season, and junior outfielder Nikki Leckie who paced the team with 24 runs batted in.

The 1999-2000 Men's Lacrosse team enjoyed a successful year despite a losing record. Under the guidance of third year coach Kevin Pezanowski, the men finished 3-5 in the conference and 3-15 overall. All three Colonels wins came against conference rivals Nichols College, University of

New England and Salve Regina University. The team was led by team Most Valuable Player Scott Tkachuk and Rookie of the year Eugene Busa. The Colonels had a very young squad and coach Pezanowski is looking forward to a successful future with the core of his team returning.

## On The Attack

Freshman Jen Duck attacks her opponent. Jen was one of 7 freshman to play for the first year Women's Lacrosse team.

The Curry College Athletics program grew during the 1999-2000 season with the addition of a Women's Lacrosse team. Before this season, the team was a club sport run through the Office of Student Activities. The Colonels had a strong showing of 16 women come out for the inaugural season. Although their record did not show it, the Colonels made great strides on the field. The team finished with an overall record of 1-8. The Colonels saw

their only win come against Salem State College during the first game of the season. The women were led by team Most Valuable Player Lindsay Gallant and coaches Danielle Ferrara and Julie McNulty. The squad will depend on its core of young players to build a strong program in the future. The 1999-2000 team includes thirteen underclassmen available to return, making the future bright for the Curry College Women's Lacrosse team.

## Break Out

# STUDENT GOVERNMENT ASSOCIATION

---

The Curry College Student Government Association (SGA) is the official student governing body of the college. Members of SGA met every Wednesday in the basement of the Office of Student Activities at 2:00 P.M. to discuss issues affecting the college community. As the voice of the Curry College student body, SGA worked hard to build positive relationships with the faculty and staff of the college. Safety and Security issues were a hot topic all year for SGA members. Several campus incidents prompted the members of SGA to begin working closely with members of the college's Senior Staff. Dean Fedo, Bobby O'Connell, Gerard Linsky, Tom Butler and Michael Riley allowed students the opportunity to express their concerns during SGA meetings. As a result of the work done by all parties involved, the college agreed to upgrade lighting and security on campus. Additional lighting, patrol officers and even a second guard shack were added to help maintain a safe living and learning environment for Curry students.

Each member of SGA was responsible for sitting on various committees throughout the year. Students sat on committees such as the Food Committee, Health Committee, ADA Committee, Athletic Committee, Honorary Degree Committee, Library Committee, Posting Committee, Academic Affairs Committee, Undergraduate Committee, Career Development Committee, Technology Center Committee, Academic Policy Committee, Health and Safety Committee, Student Affairs Committee and Bachas Committee. Students had the opportunity to meet with faculty and staff from the college and were responsible for reporting back to SGA with information on what each committee was working on.

SGA held an open forum during both the fall and spring semesters. The purpose of the forums were to generate questions from the students and direct them to the Senior Staff. Students had the opportunity to express concerns with Senior Staff as well as let them know what aspects of Curry College the students enjoy. The forums were open to the entire campus community and helped to allow open communication with Senior Staff.

SGA held two Open Houses which were designed to open the Student Activities Office to students who may have wanted to find out a little bit about what members of the SGA did and how they represented the student body. SGA members, faculty and staff all participated in the Open Houses to bring a greater awareness about SGA.

For the third straight year, SGA sponsored a less fortunate child from outside the U.S. SGA sponsored two children during the 1999-2000 school year and received several cards and notes from the children.

SGA members often volunteered their time to better themselves as well as the community. SGA members got involved in the Gear Up program that helped mentor seventh grade students at the Rogers School in Hyde Park. Members also donated time to work with a local chapter of the Special Olympics as well as with radio station 94.5 on the "Rock the Vote" campaign.

SGA President Jeff Uryga and the rest of the Executive Board worked hard all year long to build a strong relationship between SGA and the student body. It was obvious by the success of the group that the Student Government Association truly was the voice of students.

# CAMPUS ACTIVITIES BOARD

# C A B

The Campus Activities Board (CAB) showcased yet another successful year during the 1999-2000 school year. CAB was responsible for everything from Welcome Week to Spring Fling, and everything in-between. The small but determined board worked hard programming a wide variety of events all year. Some of the highlights of the year included an all campus BBQ on opening day, a movie series, several coffee house performances, Monday Night Football in the Colonel's Corner and Pumpkin Carving. Off campus trips included Spooky World, River

Dance, New York City, Bruins, and Celtics. CAB also sponsored a number of novelty items including psychics, sand art, mini-golf, wax hands, a massage therapist and caricature artists. CAB worked hard to not only entertain, but to educate. Working closely with other departments on campus, CAB helped sponsor educational events such as Last Call: A Sobering Look at Alcohol, Aids speaker Scott Fried, and Boston Globe Columnist and Photographer Dan Shaughnessy and Stan Grossfeld. CAB also planned and implemented the Fourth Annual Curry College Leadership Day, helping make the year a success.

## Donation

Gerado Vicens presents a check for \$814 to administrators at the Centro de Promoción Escolar school in Puerto Rico. Gerado led the club in raising money for the school.

The International Club was busy this year planning programs and adapting themselves to life at Curry. The club is comprised of 27 international students from 19 countries and Puerto Rico. The Highlight of the 1999-2000 school year for the club was a raffle that helped raise over \$800 for the Centro de Promoción school in Puerto Rico. The school has a large population of learning disabled students and is funded only by private donations. The club stayed busy helping coordinate the Diversity Dinners and holding their annual holiday party at President Quigley's home. It was easy to see that the international students felt right at home at Curry.

## Saving Grace

Members of the club pose with Grace Rooney. Grace serves as a mentor and teacher to many of the International students at Curry.

## Friends

#### Home Cooking

Club members enjoy the diverse food options available to them at the holiday party. Students and staff enjoy their time together getting to know one another and learning about different cultures.

# ALCOHOL BEVERAGE COMMITTEE

The Alcohol Beverage Committee (ABC) is responsible for monitoring, supervising, regulating and serving at every event on campus where alcohol is present. Members also serve as alcohol educators for the college community. Members of ABC are hired by the Office of Student Activities and work a variety of events insuring safe alcohol consumption

and service. ABC members' major responsibilities are to serve at the student organization run pubs. Members are also responsible for Campus wide events such as Homecoming, Family Weekend, Touchdown Club, Senior Week and Spring Sports Weekend. ABC members are trained in responsible alcohol service by an outside consulting company.

#### The Great Outdoors

# STUDENT AMBASSADORS

The Student Ambassadors had a busy and productive school year aiding the Admission Department in their quest to bring the highest quality students to Curry College. The group worked on several projects throughout the year including tours, working Open Houses and Accepted Student's Day, making phone calls during phone-a-thons, as well as a can drive and candy sale. The club helped raise the awareness of incoming students by giving families tours and information pertaining to the college and its surroundings. Once accepted, new students had the chance to meet with Ambassadors during Accepted Student's day and learn more inside information about Curry.

# MEN'S RUGBY

The 1999-2000 Men's Rugby Team made tremendous strides during the academic year. The men put together a challenging schedule both at home and on the road. The team gained plenty of support from the college community during their quest for field space. The Student Government Association, Athletics Office, Dean's Office and Office of Student Activities all worked to aid the team in its

search for home playing fields. The team also worked hard to better the college community by helping the Buildings and Grounds department with projects to beautify the campus. The team of over thirty men is looking to build on their 1999-2000 schedule and add more matches and increase their visibility on campus. They have had great support from fellow classmates all season.

The audience was then introduced to the 1999-2000 Student Government Association President, Jeff Uryga and the President-Elect for 2000-2001, Michael Harriman. Michael was sworn-in as SGA

President and the two introduced the Invocation by College Chaplain Debra Lee Garren.

The night proceeded with award presentations including Academic Awards, Who's Who Among Students in American Colleges and Universities, Scholarships, and College and Community Achievement Awards. The night was a giant success and honored some of Curry's best.

# KISS A SENIOR GOODBYE PUB

## SENIOR WEEK

Seniors take time to say goodbye to faculty, staff, and friends.

After four years at Curry College, the Class of 2000 enjoyed one final week to spend together. The Senior Class with help from the Office of Student Activities and the President's Office sponsored the annual Senior Week festivities. Senior Week included events both on and off campus.

The Week began on Tuesday, May 9 with a reception at President Kenneth Quigley Jr's home. After the reception students boarded busses for the popular dueling piano bar Jake Ivory's, where they sang along to their favorite songs. Wednesday, May 10 began with a champagne brunch prepared by Sodexo Marriot. Students then headed into the city for a Duck Tour of Boston followed by dinner at the trendy restaurant Dick's Last Resort. The evening was capped off with a Boston Harbor Cruise.

Students were treated to an all day clam-bake at Kempenaar's Clambake Club in Newport Rhode Island on Thursday, May 11. After a day of activities at the Clambake Club, the students made their way to an exciting dinner and show at Medieval Manor in Boston.

Friday, May 12 was a little more relaxing with events out at Westhaver Park including whiffle ball, volleyball and a DJ. After the days events, the group tested their luck at Foxwoods Resort and Casino.

The morning of Saturday, May 13th included graduation rehearsal, a family reception at President Quigley's home and the pinning of the nursing students. Saturday night students danced the night away under a 4000 square foot tent at the final Senior Pub. It was a long week, following a short four years at Curry.
